Download Film Shiva Full Movie 3gp Free WORK

superstar and inventor dr. tony stark was born in brooklyn, new york, and spent much of his childhood in the iron heights penitentiary, where his father was an excellent doctor and his mother was a respected engineering professor at empire state university. his parents' work made him fascinated with technology, as he was raised to be an exemplary child. at the age of 13, he was taken from prison by pepper potts, whom he has since proposed to and become a hero, gaining the name "tony" from the potts family and the nickname "stark". to date, his parents are the only people who know about his identity. he graduated college and initially pursued a career as an engineer at his fathers company, stark industries. however, he ultimately quit stark industries and created the immense fortune that would allow him to build the various stark-created projects which he is famous for. tony has had a longtime romantic involvement with pepper potts, though his former crime and "iron man" persona have kept them from marriage until the latter's death. their relationship and his marriage to natasha romanoff, often referred to as "the black widow" has been very important to his character development. he owns a large personal fortune and a private jet, and is mostly a recluse. his character is based on jim rhodes, who was portrayed by don cheadle. tom holland portrays tony in the marvel cinematic universe, where his earlier origin story takes place. he is a rare child prodigy with genius-level intellect and a genius-level i.q. as well as being an expert in many technical fields including robotics and aviation.
