I have been working on a project for which I have always used 32bit DLLs. The project I now have has started to get bigger and I need to migrate the whole thing to 64bit DLLs. The problem I am having is that because I am using a.Net 3.5 framework and Visual Studio 2005 the 32bit DLLs will not compile with the new 64bit DLLs and I get the following error when I try and build my project. Severity Code Description Project File Line Error LNK2001 Unresolved e79caf774b
