Players of these games tend to appreciate long scenes more than players of faster action games. Although in most games the story develops as the player defeats ... The player can use all the abilities available in the game. Depending on the game these abilities may be available at any point in the game, in one game the player may access them at the beginning of the game or at the end of the game. Most abilities are mostly used at the beginning of the game, and the most popular abilities are mostly used at the end of the game.
