The game is being developed by Spike Chunsoft in collaboration with R2 Games, an independent game developer in the United States. In the game, you can adventure in the vast world of the Lands Between, where the story is told through a unique experience of open world adventure filled with narration and the development of individual characters, as well as the ability to talk with other players through online play. You can read more in our development blog at: [ABOUT THE DEVELOPERS](#): Spike Chunsoft Inc. is a leading developer and publisher of console entertainment software based in Japan. Since 1996, the company has pioneered the RPG video game genre and released a wide variety

of critically-acclaimed console, PC, and mobile games for both Japanese and English markets. Spike Chunsoft is also one of Japan's leading publishers of anime-related video games, and produces anime TV shows through its own animation studio, Chunsoft Studio. R2 Games Inc. is a premier game development studio located in Seattle, WA. R2 Games is best known for the critically-acclaimed METAL SLUG series of games and for its URA: Ultimate Rabbit Action series. "At Spike Chunsoft, we strive to create innovative games that push the boundaries of entertainment. Working with a group of creators with as much passion for the world of Witcher as we do, we aim to create a game that will delight players from all walks of life." Michael Davis, CEO of Spike Chunsoft Kazuyuki Yamai, Creative Director of Spike Chunsoft Tomonobu Itagaki, Creative Director of R2 Games Also starring in the game are famed composer Yasunori Mitsuda and renowned voice actress Rie Tanaka. For more information, please visit: A CALLING: You are an Elden Lord, and now, the time has come for you to wield the power of the Three Great Swords and the power of the Elden Ring Activation Code to gather together the forces of all the lands and to protect our world and the Lands Between. THE GAMEPLAY: In the game, you

Elden Ring Features Key:

A huge world that you can explore. The Lands Between is a vast world with a variety of different locales, dimensions and rules. Across its seemingly countless places you can continue your adventures.

Talent differentiation. You can develop your character in a variety of ways. Not only can you enhance your physical skills, but you can also augment your mind and soul if you learn precise magic.

In a land where moonlight breaks the endless night, there live the races that call themselves the Elden...

LITTLE BROTHER is designed by BraveS and published by Bravely Default on the Nintendo 3DS.

But there is now a new and superior power in the lands, called the Tarnished, and no one knows of the true power of the Elden Ring.

What are the guys' plans for the new power? All they know is that it is somewhere on the borders of the Lands Between. But they want to find it and claim it! As a man of action, please join them on their grand adventure!

KIRITSUNE

The guy with the nice accent is the guide of the players! He takes their characters around on the vast world of the Lands Between, and with his suggestions and guidance, they will find the **Power of the Elden Ring and the Expansion of the Knowledge!** He is also one of the players! Players must choose who will become the protagonist when they begin the game, and this character can be called whatever they want. For example, you can choose the name Kiritsune (pronounced "ki-ri-tsune" or "ki-ri-tswee"), or you can call him something else, or you may even forget him! (If you do, your character will be good at coming up with on-the-spot solutions.)
