Elden Ring [Latest] 2022

STORY • This is the story of a scattered horde. The Land Between is a place where an ancient power known as Dark Magic is flourishing. In this world, humans live alongside the enigmatic and dangerous creatures known as Elden. As the Elves are reborn, they delve into the world of human exploration. The humans who discover the Elden in this world are drawn into a war in which two opposing forces struggle for power. In the midst of this turmoil, people become more and more corrupted by a dark power, and Elden, deprived of their life force, cannot defend themselves from the slowly spreading darkness... • Feel the High Sense of Impact Play through the charming story and witness the intense multiplayer battles. The action is cast to a high sense of impact. The action is cast to a high sense of impact. THEME • Story • Celestial magic and the generation of power are both an incontrovertible truth within the world. Various magic is created on the plane. Like a living organism, magic is divided and expanded according to its use. The magic that exists outside of the bonds of Creation is called Dark Magic. As the Old Magic comes into contact with the forces of Creation, the Elden, a race of beings who possess great power, emerge and collide with this strange world. In this world, several organizations have risen to defend Creation. As these organizations, each boasting their own strength, struggle to secure power, the luster of Creation has faded. The conflict between the Old Magic and the Elden is played out in the games of war that arise in the Lands Between. Gameplay UNFOLDER game: *Protip: Do not start the game before you complete the basic tutorials (that's not cheating, and it's definitely not cheating, really, it's just a tip that I will be providing as a basic guide that you don't need to follow, but, hey, if you want more information about how to do that sort of thing, feel free to read that stuff on the discord channel). If you don't know what tutorial means, just go to the official website and do the tutorial there.
