## **Fifa 22 Features Key:**

### FIFA 2002

FIFA 22 brings "PAO." This new system was custom-designed for FIFA 22 to bring the absolute authentic experience of a true low-level, real-life football match.

- Live on-field action authentic, low-level pain-inflicting gameplay without the ball
- Unique on-field camera system allows you to view and edit every player, coach and manager on the pitch with never-before level of control.
- World-class commentary by four-time lead commentator Peter Drury.
- Flexible gameplay that lets you play the way you want: control handling or possession-based match depending on which mode you choose. You can also adjust control difficulty in training, extra skills, and retirement age.
- FIFA 22 begins with Phase One, where you take control of your favorite team's prodigy to give the football world a glimpse of the kind of inspiration that has sparked you to build a squad that players, fans, and legends will soon be talking about.
