. unzip your game of call of duty black ops ii files called .dll file. Windows will check the application and system folders for this file. If the file is missing you have two options to proceed: . %SystemRoot%\System32\steam\_api.dll . This is not how steam works. View your video card's manual and download this adapter. I'm having the same problem. I've been receiving error code 0x80040154 whenever I try to run my game. A: Did you run your Command Prompt with admin rights to run the regedit.exe on the above mentioned path? MMA Opponents Get A Boxing Freebie From an MMA Champion This isn't a joke, it's what has been happening for years in boxing, but has really taken root in MMA recently. The Bellator MMA promotion held a pay-per-view event in February and immediately the problem started to show itself. During the main event, Kimbo Slice took on Mirko Filipovi?, and in the first round Filipovi? was having trouble landing punches to his opponent's face. He started to realize his opponent was frustrated by his inability to land any solid blows and he began to use his reach to pin Slice against the cage. The problem? Kimbo knew Filipovi? couldn't do anything about it, so instead of trying to counter punch, he just tried to fight off of the cage. He tried to get to the side of the cage and decided to turn into an orthodox fighter, using a counter right hook to move away from his opponent. What happened next was kind of awkward. You can watch it again for yourself here, but here's the short version. While Kimbo was turning to his right, his opponent got a good shot on his head. Look at the eyes of Kimbo from that second image. He's clearly scared of the tactic. He's still bracing for that strike even though he's rotating on his right foot. He even turns back to look his opponent in the eyes. Kimbo's opponent had to tap out and when he did, Kimbo backed away and waved the referee's attention to himself. That was it. The fight was over. Seeing this as a boxer, I understand why a guy just couldn'
