plan, with soxer.me - Easy Structural Drawings Generator  
Simple, yet powerful, what are you waiting for? Soxer  
automates the process of creating your own 3D drawings  
from a plan or 3D model. All you need to do is paste a plan  
or 3D model into the left input field, and the result will  
appear on the right. There's nothing more to install, nothing  
more to setup and nothing more to train. Basic usage is  
really simple: Paste a plan, select how many drawings are  
to be created and click convert!. Soxer can create:", "id": 2,
