Note: Autodesk no longer supports offline activation for 2021 products and later. If you have a perpetual license, you can activate your software by going online only once. After you activate online, you can continue to use 2021 software and later offline. This change doesn't apply to subscription network licenses or previous versions that you already activated offline. You can continue to use them as before. Request codes are necessary only if you have perpetual license software and need an activation code to manually activate software on a computer with no Internet access. Generating a request code is the first step in the process of manually activating your Autodesk software. If you are not sure whether this software can help you to activate Autodesk software, you can try to make a simple action below. This software can help you to activate the Autodesk software, in which case you can not only help you, but also save some time. Autodesk warrants that the First Edition of Autodesk software will be free from defects in materials and workmanship for ninety (90) days from the date of original purchase or initial use. If the Autodesk software is lost or stolen, you must return it to Autodesk, along with your receipt and a written description of the problem. Autodesk reserves the right to replace the lost or stolen software or parts thereof, at its option and expense. Last, if you have already purchased or activated a copy of your Autodesk software and you have lost or stolen your receipt, then your Autodesk software can be replaced by replacing the software and retaining your original receipt, providing you remove the unlicensed copy of Autodesk software, along with any other unlicensed copy of Autodesk software that you have installed or are using.

If you are unable to obtain a request code after a reasonable effort, your Autodesk subscription is about to expire. It is therefore critical that you contact Autodesk to request a free reinstatement code. Autodesk sends you a reminder notice about a new subscription a few weeks before the subscription is about to expire. Your subscription is automatically extended for 30 days if you do not renew within that time period. If you renew your subscription during the 30 days of a license extension, you have the option to renew your subscription for another term. If the issue is with your license, you'll receive a message saying your subscription has expired, as well as instructions on how to renew. If your subscription is expired but you are still able to use software, please contact Autodesk. Autodesk offers active-online-only products for licenses that are not able to access the Internet. These products only allow offline activation and never require an activation code. You can download the latest version of these products directly from Autodesk to use the offline feature. These products are designed to be used only on a computer with. No internet access. New tutorials and videos delivered every week! The world's best autodesk tutorials delivered to your inbox.
