

Are you familiar with the legend of the Elden Ring? Now you can play as a Tarnished Knight who travels to the Lands Between to claim the power of the Elden Ring. How to play Tarnished Knight. As a Tarnished Knight, your goal is to travel to the Lands Between, reveal the truth behind the legend of the Elden Ring, and become an Elden Lord. To reach your goal, you must collect rune stones, achieve certain conditions, and face the consequences. The Hunting Grounds The hunting grounds in this game are vast and there are five different types in total. Each of them offers different circumstances. We have detailed the details on the different elements and shown what you must do in each hunting ground. As a Tarnished Knight, you can collect runes for your battle strength as a weapon. If you equip a rune stone, you can increase your physical attack and defense. In the Hunting Grounds, you must compete with up to three other players at a time. The larger the number of players, the more runes you will receive. The Hunting Grounds: Trawl: A dark forest. Tower: A castle. Proving Grounds: A training camp where you can train your skills. The Lands Between The Lands Between is the main setting of the game. Here, you can travel between the Hunting Grounds and the Lands Between to obtain rune stones. If you equip a rune stone, you can increase your physical attack and defense. The Lands Between: Expert: A monster-filled corridor. Dregs: The crushed remains of a building. Elden: A high-level dungeon with a breathtaking environment. As you progress through the Lands Between, you will face new challenges and challenges that you have already experienced will repeat. FIGHT WITH YOUR PHYSICAL ABILITY AND MAGIC. A Tarnished Knight is a magical swordsman that has the ability to understand the spirit of a weapon. This spirit is your fighting spirit and weapon mastery that can be improved with the many different types of runes. Even in a battle against enemies in the Hunting Grounds, it is possible to use your physical attack, magic, and various skills to overcome various enemies. • Always Use Skill Gauge Tabs. There are four different skill gauge tabs. The energy consumption of each skill moves to the corresponding

■ A new cast of characters with backgrounds and personalities like fantasy novels ▼The first look for those who haven't played Elden Ring ■Mature voice acting and animation for a fantasy setting ▼English and Japanese versions of the trailer ■The battle system that controls in real time ▼The developer has been creating RPGs from their early days ■Highly stylized graphics ▼Various voice actors for characters ■The character and art style that evokes the legend of Elden ■Ground-breaking gameplay where skill is more important than level ▼Gameplay video introduction on the latest version of the game •Game Line A new fantasy action RPG that takes place in the Lands Between, a realm where the lands of the present and the past intersect.You play as a character who was an Amnesiac that met a woman, and in exchange for her service, he gained the power to drive away evil spirits.With the power of the Chaos Ring, he was able to equip a variety of weapons and armor, and the knight who is now being called 'The Tarnished Lord' has left the lands of his former life and it has led him down a path of revenge.The diverse tribes and numerous deities who dwell in the Lands Between will all appear in the game, and by fighting, you can create a world that reflects yourself.System: 1) The battle system. In the game, you fight by controlling the state of each action of your character.In order to achieve this, you must assign a skill in multiple rows of a grid-shaped slot layout. From the left of the main screen, you can see the equipable weapons, and from the right side, you can see the statuses of your character and the possessions that you have acquired.Once the battle starts, you move around the screen to see the movements of your character, and you can obtain information about the status of other characters by hitting the direction keys on the main menu. By hitting the special button, you can set various parameters, such as the number of hits, the timing of the special attack, and the number of turns. The special attack is the special attack that you can use while in motion.The number of turns is the number of times that you can use the special attack, and by pressing the R button, you can confirm whether or not the number of turns is full and can no longer be changed.Of course bff6bb2d33
