Q: facebook scraper wont work for bootstrap modal popup I'm trying to scrape values from my facebook page. my current code is working for http site. but not for bootstrap modal. how to scrape it with bootstrap modal open? any idea how to make facebook scraper for bootstrap modal open. Thanks. A: The facebook dev pipline say this about bootstrap modal dialog - If you are using the Bootstrap modal, then the modal plugin is mixing with your request and we can only make API requests from the popup if you prevent this behavior by creating your own dialog (see more details here You need not add any additional approach to scrape facebook details if you don't want to display it as a modal dialog. 278 So.2d 556 (1973) T. Off-pump coronary artery bypass grafting without cardiopulmonary bypass in elderly patients. In recent years, off-pump coronary artery bypass grafting (OPCAB) has become the accepted surgical modality for patients with multivessel coronary disease. However, patient selection for this procedure is difficult because the range of candidates has continuously expanded. Many studies have reported on the short-term and long-term outcomes of OPCAB. However, the outcomes in elderly patients remain unclear. We retrospectively reviewed our experience with OPCAB in elderly patients. Between July 2001 and June 2005, we performed 368 OPCAB procedures. Thirty-eight elderly patients ($\geq$ 75 years) formed the study population. Preoperative and postoperative data including hospital mortality, myocardial infarction (MI), coronary artery reoperation, and angina were recorded. Preoperative risk factors were compared with data from 113 consecutive, control patients Q: How to get a reference to a Lambda I have a "static" function inside my class: public static DependencyClass foo; And I want to access to this function (after instantiating the class) in my code, but if I do this I get "Cannot access non-static method from static context" and if I try to make the function static it gets even more confusing. System Requirements For Photoshop CC:

Winning ways: A turn-based 4X strategy game with a series of challenges that you can win in different ways, at least in theory. However, the game's type does not work so perfectly: it's a dog's breakfast, let's say. It's not what you should play. Main scenario and features: The Stellaris Universe: Our game takes place in a solar system that is inhabited by several races, each of which is presented with a large number of achievements and defects that
