"Overall, it looks like a lot of fun. I'm definitely

going to keep an eye on it." "TELDA FISTFIGHTING - KILL THEM ALL" for Android is FREE at Google Play "It is one of the best free apps I have ever downloaded." "TELDA FISTFIGHTING - KILL THEM ALL" for Android is FREE at Google Play www.JjGames.com If you want to challenge your reflexes, have fun and feel the thrill of battling with up to 4 characters, this is the game for you! TELDA FISTFIGHTING - KILL THEM ALL is an action game in which you can challenge up to 4 players via a network connection. The battle maps are mapped out in a square. Each game consists of 15 missions. The game mode starts easy, but becomes increasingly difficult as the battle progresses. Before entering a battle, you can choose an enemy that you will face. Then the game begins and you can watch the attack animation. You can use various special moves (block, grapple and jump) and the attack meter will gradually fill up. If you keep the attack full, you can unleash your special attack. (This can be charged for a longer duration.) The special attacks include various types, such as a combo attack, high bounce attack, special attack, and a special attack that can be performed from various distances. There are various types of special moves, such as triple jumps, double jumps, air combo, and grapples. Using the special attacks and special moves, it is possible to eliminate your opponent in two to three hits. Please note that you do not need to level up as you go through missions. As you advance through the game, new special moves will be unlocked. In particular, some of the special moves will become available with the addition of new missions. In addition to the original modes, an online mode is supported. Online battles will be available in

the future. "This is one of the most fun and addictive games I've come across!" "This game is a fun, exciting way to kill time while waiting for a train or bus." "Just what I was looking for in a game" Contains: * Online multiplayer battles * Playable up to 4 players

Metal Gear Solid - The Legacy of GSolid5

class="ingredients">Join Nintendo in an all-new adventure with the badass protagonist Solid Snake and a varied cast of allies and foes. Play across Asia, Europe, and the USA to find out what Metal Gear Solid 5 has to offer. Witness the birth of the franchise and the merging of two of the best video game developers in history, Hideo Kojima and Hidetaka Miyazaki.

For example, in a new TV spot below you can see that the city backdrop is recreated from Kojima's style of using Japanese mythology to create one of the most intricate backdrops he has ever done for MGS. But the gameplay, as some critics have already pointed out, does not look as flashy as a game from a less-experienced team such as Kojima Productions would. The gameplay is an area in which we do not feel certain of how much additional polish has been applied. So it's to be seen whether MGS5 will live up to previous editions' standards.

■

The Wild Furies! This is Anna. The charming and beautiful goddess that awakens into magic atop a tree and now wishes to explore this world and its hidden secrets. I, after struggling to find kinder beings, am here to help. I must tell you, however, that there are strict rules for this world. The rules are: to awaken magic, you must be born as a wild. To develop your power, you must live in nature.

The most significant of such rules is however the quest. To pursue it, you must find the likes of books, sorcerers and spirits of old. In order to find them, you must travel the Fields of the Horizon. When you wake up each day, you are surrounded by forests and endless fields. To this day, you have seen only five fields of each sort: the Misty Forest, the Poisoned Field, the Mistrion Field, the Haunted Field, and the Arcane Forest. In order to know what lies ahead, you must work to develop your senses to see the world. And so, you must explore ever deeper fields.
