The program is a useful resource for PS2 gamers who can easily make copies or backups of their PS2 games. Using several functions, the program can convert any PS2 compatible game to just about any video format including AVI, DVD, VCD, MPEG, DivX, Xvid and more. However, it is possible that a conversion may take hours. I also have a Sony Ericsson mobile phone. I received the 6500 and I'd like to find out how to get it to read as sd card. I am also having the problems with updating the program to fix the memory leak. the issues it it I can only hold one home phone number and it transfers all other numbers to the same number. the phone has lots of possibilities. Thank-you for this great help.
