7 Comments Â· Ben Byram-Wigfield. Exclamation points mean that NP vst is either not installed or not available for Dorico. Aaron Keith. I had a very similar one.NET project that I deleted last week and it was never copied, but today I found it was in the trash. I tried to open it this morning and it didn't work, then I realized it didn't work in the trash. I decided to try it again, it still didn't work so I decided to delete it and then check the trash. As it turned out, he was still there. I cannot remove it. I'm assuming it was deleted in the trash but still can't delete it. I can't repair it.
