's 2 pt lead over State Rep. James LeMunyon [R-IA 9] (-12) and 13 over his nearest competitor, Delegate Luther Strange [R-Ala. 1]. LeMunyon was shocked by the poll results and also announced he will not seek re-election. Between August 28th to September 22nd, the RealClearPolitics average of polls had Leahy leading the pack with a 5.1 point lead over Huntsman and -2.2 points over Romney. A moment ago, the RCP average of polls had the race remaining close with Huntsman +4.7 points over Romney. I've never had much of a problem with Huntsman, although he seems a bit meek to me. Still, he isn't even in the top tier and I'm going to have to get used to the idea of one of these guys getting the nod – I'm not going to like either one of them but I really don't have a favorite in the race. Not in the top tier? No, not necessarily. I think both Romney and Huntsman are virtually tied for first in all four polls of individual states that have been conducted thus far. Huntsman has caught fire in New Hampshire, New Mexico, and South Carolina, and I don't think we have seen the last of either man in the Granite State. I wouldn't be too surprised

## What's New in the Photoshop CC 2015 Version 17?

Q: Aligning divs on top of a div I am trying to make it so two divs stick on top of each other, the div at the top always expands to cover the entire width of the window/page. I tried playing around with margins, padding, and float properties but haven't been able to get this to work. Welcome to 8th Grade And the CSS .wrapper { margin: 0 auto; max-width: 1180px; overflow: hidden; width: 100%; } .header { height: 100px; margin-bottom: 10px; margin-top: 20px; width: 100%; background: yellow; } #welcome { height: 100px; margin-top: 75px; background: red; } A: You just need to set the column to float, and remove any margin/padding (or set it to 0) on the element to float. .columns { float:left; width:50%; margin:0; padding:0; } JSFiddle
