If we're going to make this world a better place for all of us to live, we all need to get involved. You don't have to be a scientist, a teacher, an accountant, a lawyer, a politician, or any kind of expert. But you do need to speak up. You need to know what's going on, know your rights, and know what you can and can't do. And the first step is by registering as a voter. Registering to vote may seem like a daunting task. You might not be sure how you feel about the candidates, how you'd cast your vote if you
